OUR MISSION

The Local 42 Veterans Committee's mission is to provide social support for our Veterans, which includes but is not limited to, emotional, instrumental, informational and appraisal. We are committed to bettering the lives of those Veterans who have bravely and honorably served our country as well as focusing on concerns that directly affect them. Fundraising efforts, charitable donations, and networking will provide us with the means to show our gratitude to them by giving back a fraction of what they have given to us.

“Serving those who have served”
